

Expression of Interest: Small Animal Form

Thank you for your interest in giving a pet in need a loving home! Please note that due to COVID-19, the Guelph Humane Society is currently closed to members of the public. Adoptions will be conducted virtually using phone meetings and videoconferencing (e.g., ZOOM). Regrettably, due to space limitations we will not be able to invite adopters into the shelter to meet pets prior to adoption.

To be considered as a potential adopter, an Expression of Interest (EOI) form must be completed and submitted. The EOI form will allow the GHS team a chance to get to know your home, your lifestyle, and determine if the pet you have expressed interest in adopting may be a good fit. As EOIs are accepted 24 hours a day 7 days a week, adopters understand that multiple applications may be submitted for a single animal and that submission of an EOI does not guarantee adoption of a specific pet. If this pet doesn't work out, we will do our best to try to match you with another amazing pet. If you should be successful in your application, most small animals are able to go home within 2-4 days of completing a phone interview! As our goal is to have pets go to their new home as soon as possible, regrettably we are unable to hold small animals for extended periods of time.

Please email completed forms and any questions regarding the adoption procedure to adoptions@guelphhumane.ca. We sincerely thank you for your continued support during this time, and hope that you and your family stay safe. Sincerely- The GHS Family.

I have read the above and understand the temporary adoption procedure (check):
