

## Group Volunteer Experience

Thank you for your interest in our Group Volunteer Experience!

This is a great way to have a team building activity, give back to your community, and have a lot of fun while helping our community's most vulnerable animals. We offer a variety of experiences for your team to see how our organization runs, meet some of the animals staying here, and contribute to the animals' welfare through enrichment and educational sessions. Groups will be asked to help with tasks around the building that could include: cleaning cages, helping with general cleaning and organizing, outdoor landscaping projects, administration tasks, making animal toys, as well as other projects/tasks that may arise!

### Your Group's Volunteer Experience (timing permitting)

- Introduction & Tour
- Activity
- Animal Interaction (based on availability)

Single-day, group volunteer opportunities are typically hosted during 3-hour shifts. Timing can also be adjusted depending on your group's availability.

Mondays & Wednesdays: 9:00am – 12:00pm or 1:00pm – 4:00pm

Thursdays: 1:00pm – 4:00pm

Once you have completed and submitted the form, our staff will get back to you within 5 business days to start planning your experience!

Please note: We do our best to accommodate as many groups as possible but due to the large number of applications we receive, scheduling is based on availability. Due to the space of our current building, we have limited spots for groups. Please allow at least 4 weeks notice in order to schedule and organize.
